Local Professional Earns Designation

Maggie Fithian, with Maggie's Designs, has recently been awarded the designation of Accredited Staging Professional™ (ASP™).

Maggie Fithian has successfully completed a detailed course and passed a thorough examination on preparing homes for sale. Homes that are Staged, or prepared for sale, by an Accredited Staging Professional™ look better than other homes on the market by being clean, clutter-free, and ready to show to prospective buyers. Staged homes traditionally sell faster and/or for more money in today's real estate market. The ASP™ designation is a benchmark of true excellence in customer service for home sellers. Maggie Fithian is dedicated to the principles and practices of Staging and the many benefits this service will bring to her clients. Maggie Fithian can be reached on the internet at www.maggies-designs.com or www.stagedhomes.com.
